

‘Windows on the Water’ Homes of Wayne Tour

a benefit for the Cary Memorial Library and Wayne Community Church

Saturday, September 9, 2017 10:00 – 4:00

The doors will be opened to some of Wayne's most charming and classic homes during this year's Homes of Wayne Tour, ‘Windows on the Water’, Saturday, September 9, 2017 from 10-4 PM. Featured on the tour will be examples of nineteenth-century architecture, lakeside camps, uniquely designed contemporary houses, fall gardens and several architectural landmarks, all with a view of our beautiful lakes in Wayne. Enchanting vistas, welcoming interiors, and the undeniable charm of small-town rural life in Central Maine will delight and inspire you!

You are also invited to join us for complimentary refreshments and shopping at our “pop-up” Boutique at the Androscoggin Yacht Club during the tour, as well as enjoy the Traveling Brushes Art Show & Sale at the Williams House and the classic wooden boat exhibit at the Shepherd’s Knoll II barn.

Tickets will be on sale starting August 18th. The cost is \$25 in advance and \$28 on the day of the event. Tickets may be purchased in advance at the Cary Memorial Library, the Church and Julian’s General Store in Wayne, D.R. Struck and Kennebec Savings Bank in Winthrop, and Longfellow’s Greenhouses in Manchester. Tickets purchased on the day of the event are available at the Cary Memorial Library, 17 Old Winthrop Road, in the center of Wayne (follow the signs). The event will be held rain or shine. For more information, phone the Library at 207-685-3612.

Each site has volunteers on hand to answer your questions and to help direct you to other not-to-be missed experiences throughout Wayne. Lunch will be offered for purchase from our local eateries, and take-out lunches may be enjoyed on the screened porch of the Yacht Club, where the Wayne Volunteer Fire Department will also be serving up a BBQ lunch.

The Homes of Wayne Committee is profoundly grateful to the generous owners who share their homes with the community and to our loyal ticket buyers who make the event a success each year. The 2017 Homes of Wayne

Tour is a benefit for the Wayne Community Church and the Cary Memorial Library, both historic and revered institutions in Wayne. The event is generously underwritten by: Platinum Sponsor: Longfellow's Greenhouses and Gold Sponsors: Pat Ladd/Homestead Realty, Tony & Anita Gotto, Kennebec Savings Bank and Stephanie Haines. We greatly appreciate the support of all our local sponsors and their generosity in helping to underwrite our community fundraiser.

Today, Wayne's 1100 residents and even more summer residents love the small town flavor of the village, the natural beauty of the lakes and green spaces, and the friendly atmosphere. Please join us.
