

Cary Memorial Library
Group Use of Library Space

To ensure that any group wishing to use Library areas for meetings, we declare the following expectations for all.

Any group meeting in the Library's main building during Library operating hours shall meet on lower floor (Safford Room).

The Library allows use by politically-affiliated organizations provided that the activities being hosted are not:

- Endorsing any political candidate or advocating any political platform
- Encouraging violence or any behavior that breaks federal or state laws

The Library itself does not and will not endorse or support any political part or candidate.
